Seedco is a national nonprofit organization that advances economic opportunity for people, businesses, and communities in need. Seedco designs and implements innovative programs, partnerships, and services to foster vibrant economic development through three primary lines of work: workforce development initiatives, which improve long-term employment outcomes for low-income individuals; family and work support programs, which help low-income individuals and families retain employment and build assets; and technical assistance services for small businesses and nonprofits.

II. SERVICES AVAILABLE

Entrepreneurial Technical Assistance & Consulting
The mission of Seedco’s Entrepreneurial Technical Assistance & Consulting division is to stimulate innovation and ethical entrepreneurship for micro and social enterprises that will support economic development and spur job creation in the Mid-South.

Key program services include:

- **Mission iQ** – A cloud-based client management solutions for nonprofits, educational institutions, and government agencies.
- **Operation JumpStart** – Nationally recognized entrepreneurship development program that helps new and aspiring business owners identify personal goals and business feasibility.
- **Ready to Work-Life Skills Boot Camp** – An intensive 4-day training program that prepares individuals for advanced education and ultimately, work.
- **Seeding Entrepreneurship Across the Mid-South (SEAM)** – Provides a comprehensive, scalable model utilizing entrepreneurship as the foundation for reducing poverty through asset, wealth and job creation.
